www.spillhero.com

Spill Hero Spill Programs help grocery and retail stores safely respond to spills and prevent slip and fall accidents.

Programs incorporate a combination of products and methods to reduce accidents and improve safety.

These include:

- A complete line of fast acting granular absorbents.
- Wall Mountable Spill Response Stations.
- Biohazard Spill Response Programs and Kits.

Spill Hero Granular Absorbents

Environmentally friendly super absorbent that solidifies oil and water-based liquids on contact, making it easy to simply sweep spills away.

ECOLOLO Certified, non-toxic, non-leaching, and highly absorbent.

- Works on contact to absorb and permanently traps liquids and chemicals.
- Leaves surfaces completely dry and slip free.

Wall Mount Spill Response Stations

Spill Hero Spill Stations are custom made wall or pole mount racks that hold Spill Hero Spill Clean-Up Absorbent in either a 5.4-quart bottle, or 6-quart bag, or 2) 2-liter bags and include a combination of your choice of broom and dustpan sets, long or segmented handled brooms, squeegee brooms, disposal bags and PPE needed to safely and quickly clean up and dispose of spills.

Biohazard Spill Response Programs and Kits

- For advanced protection from the dangers of contagious viruses and bloodborne pathogens.
- Easily cleans up biohazard accidents such as vomit, blood and other body fluids.

Spill Hero offers a wide range of solutions to handle spills around your store

- Dairy
- Produce
- Center Store
- Front End
- Deli & Meat Departments
- Food Service
- Warehouse
- Loading Docks

Spill Socks

Spreadable Absorbents

Spill Pads

What makes a Spill Hero Program different?

Works faster:

- Spill Hero absorbs 5 liters per 1-1/2 lbs. of absorbent.
- Only needs one application to leave floors clean and dry.
- Usage is significantly reduced when switching to Spill Hero.

Easier Cleanup:

- Spill Hero works on contact completely soaking up spills leaving a dry slip free surface.
- Simply spread on the spill sweep and dispose.

Eco-Friendly:

- Spill Hero is Ecologo® Certified by UL, all natural and safe, landfill approved, and 100% certified non-leaching.

Tailored to You:

- Customized programs provide only the tools needed for your specific type of spills, so you don't pay for unnecessary extras.
